

# real world RACERS

Win off the showroom floor with  
Yamaha YZF-R1 and YZF-R6

Australian  
Supersport  
Champion  
Bryan Staring

Australian  
Superstock 1000  
Champion  
Pat Medcalf

Australian  
Superstock 600  
Champion  
Rick Olson

It's not just the big buck SBK  
teams of Spies and Crutchlow  
that dominate racetracks.

Or indeed national factory race  
team pilots like Bryan Staring.  
Because real world race heroes  
Pat Medcalf and Rick Olson show  
that if you're good enough...  
so is a super stock R1 and R6.
